

Welcome!  
Information Sheet for Visitors of Marian Woods Residents  
August 2020

We are delighted to be able to welcome visitors again. The New York State Department of Health and the Governor's office have directed that we provide you with this brief information sheet, which lists regulations for visitors to all licensed Adult Facilities.

1. Visitors must be 18 years of age or older or accompanied by an adult 18 years or older.
2. All visitors will be screened for:
  - temperature check;
  - hand sanitizing;
  - answering standard questions about travel and contacts.
3. You will also be asked to complete a short form with contact information.
4. Masks must be worn at all times during visits and social distancing rules (six feet separation) apply.
5. Only 10% of residents may have visitors at one time. For us, that means 5 residents.
6. All visits will be held outdoors, weather permitting. Additional benches have been placed outdoors for this purpose. The front porch and the patio outside the dining room are also available as long as social distancing is maintained.
7. When inclement weather necessitates indoor visits, they will take place in the parlor off of the chapel and, if needed, the reconciliation room. If visiting in the parlor, once you have been screened in the front lobby, please drive around to the back of the building and park outside the chapel.
8. The two bathrooms in the main hallway and, in inclement weather, the two bathrooms right outside the chapel are available for use by visitors.
9. Visitors are welcomed between the hours of 1:30 and 4:30 PM.

The NYS Department of Health guidelines state, "Failure to follow these guidelines may result in restriction or revocation of visitation."

Thank you for assisting Marian Woods in efforts to be safe and compliant.

*Sister Aileen*
